1. I would like to know the number of electric, gas, fuel & water meters that the trust has.
We have 11 electricity, 10 gas and 7 water across our portfolio.
2. I would also like to know the number of those meters that are manually read & recorded.
From 1st April 2022, all our electricity has switched to AMR meters, and our Gas is having AMR fitted. Our water meters are still recorded manually, read regularly by our supplier.
3. I would also like to know the number of those meters that are smart meters.
We do not currently have any smart meters installed.
