Response sent

1. The number of enquiries the Trust had with the ICO in its recent incident : [ICO sets out revised approach to public sector enforcement | ICO](#)
One
2. Can you please confirm prior to this incident what the budget of the IG Department was. In £s
N/A. The IG function reported into several departments, including the Information Management and Technology (IM&T) directorate and the Quality directorate, so did not had a separate dedicated budget
3. Please can you confirm the budget of your IG Department of as 1ST November 2022 in £s
N/A – please see Q2.
4. Please can you share the structure chart with me from September 2019
Please find attached [pasted below] an IM&T top level Chart from August 2020 that accurately reflects the structure in place in September 2019, and shows three of the four IG posts working within IM&T. The remaining post, a SARS Manager, reported directly into the Associate Director Quality and Governance, in the Quality Directorate.

IMT Organisational Structure

August 2020

5. Please can you share the structure chart with me to date
A new proposed structure has not yet been confirmed, so we do not have a more up to date structure chart to supply to you.
In this new structure roles relating to IG will transfer to the Corporate Services Directorate.
