### Subject

Structure Charts: Safeguarding Professionals and Support Posts

### Details of enquiry

Please provide structure charts illustrating the organisational hierarchy of safeguarding professionals (for both children and adults) within the trust, including the banding for these roles, and any associated administrative/business support posts

### Response sent

Please find below the Trust's response.

We confirm that the Trust does not hold a structure chart showing its current hierarchy of safeguarding professionals.

We have recently undergone a strategic review, and the structure charts currently published provide a high-level overview only – these are attached, for context only, showing hierarchy of roles from the Chair to Heads of Service.

The Trust's Safeguarding Leads are listed in the following table

<b>Central Safeguarding Team</b>
Named Doctor for Safeguarding Children. Chief Medical Officer
Executive Lead for Safeguarding. Chief Nursing Officer.
Adult Safeguarding and Prevent Lead
Safeguarding Lead for Children

<b>Safeguarding Leads</b>
Consultant Social Worker. Associate Clinical Services Director
Associate Clinical Director – Complex MH Consultant Psychotherapist and Social Worker
Clinical Service Manager
Consultant Lead
