

## Freedom of Information Act 2000 disclosure log entry

### Reference

22-23409

### Date response sent

14/03/23

### Subject

GIDS Referrals from the Dorset Area

### Details of enquiry

Please could I have a breakdown by referral agency, i.e. CAMS, schools, charities etc for the NHS/CCG area Dorset for the last five years.

### Response sent

In response to your request, we are providing you with a data set of GIDS Referrals for the period 2011 to 2020 by the name of referral agency commissioning units. From this you will be able to identify referrals from the Dorset area.

Please kindly note that do not hold complete referral data for 2021 and 2022, and this is because:

- a) **Effective July 2021** GIDS was only accepting referrals from CAMHS and Pediatricians, whilst all other referrals were directed to the Arden and Gem Referral Hub.
- b) **Effective Oct 2022** as all new referrals to GIDS redirected to NHS England/Arden and Gem Referral Hub, managed by NHS England.

NHS England (NHSE) may be able to provide you with this data for 2021 and 2022. Their FOI department may be contacted via [england.contactus@nhs.net](mailto:england.contactus@nhs.net), you would be required to write "Freedom of Information" in the subject line of your email, as detailed in their guidance at [NHS England » How to make a Freedom of Information request to NHS England](#)

- c) As in the previous editions of this data, low numbers, less than five have been masked. Were we to disclose the exact data requested it could potentially lead to identification or re-identification of the individual(s) concerned so we have substituted these low numbers for the symbol "<5"

Although the county and year alone are not personal data, we have also to consider whether other information that is already available, or may become available, to any member of the public, could be combined with the data requested to enable identification of the individual(s) concerned. We are, therefore, withholding this information under S.40(2) Personal Information.

Section 40 is an absolute exemption under the FOIA and does not require us to carry out the public interest test.
