3. How many patients have been prescribed puberty blockers by the GIDS service at the Tavistock between 28th July 2022 and 28th June 2023 or the most recent data held?
We do not prescribe blockers. The Endocrinology team at UCLH and Leeds General Infirmary assess suitability and prescribe blockers or cross sex hormones where appropriate.
4. How many new patients have been prescribed puberty blockers for the first time by the GIDS service at the Tavistock between 28th July 2022 and 28th June 2023 or the most recent data held?
See Response to Q3 above.
