Date response sent 07/06/23

Subject Cybersecurity & Patient Services

Details of enquiry

- 1. For each year (2020 2022), please confirm how many cyberattacks your Trust has suffered?
- 2. For each year (2020 2022), please confirm how many cyberattacks have resulted in the halting of or delay in delivery of care or services to patients?
- 3. For each year (2020-2022), please confirm:
 - a. The GBP (£) value of budget allocated to cybersecurity
 - b. What percentage of the Trust's entire budget for the financial year was spent on cybersecurity?
 - c. How many times in the last 12 months have you audited your third-party suppliers' cybersecurity measures

Response sent

- 1. For each year (2020 2022), please confirm how many cyberattacks your Trust has suffered? No direct attack suffered by the Trust.
- For each year (2020 2022), please confirm how many cyberattacks have resulted in the halting of or delay in delivery of care or services to patients? None
- 3. For each year (2020-2022), please confirm:
 - a. The GBP (£) value of budget allocated to cybersecurity
 This is not a separate budget. It is included within the whole IM&T budget.
 - b. What percentage of the Trust's entire budget for the financial year was spent on cybersecurity? We do not breakdown to this level as Cyber security is part of overall IM&T costs
 - c. How many times in the last 12 months have you audited your third-party suppliers' cybersecurity measures

As part of the annual cyber assessment, this is carried out on our external supplier's systems to assure their. systems are complaint with ISO27001, or equivalent Cyber Essential, and other compliance.
