Date response sent

06/07/23

Subject

Structure Chart for IM&T, Business Intel/Informatics, Digital

Details of enquiry

Could you please send me a full structure chart with names and contact details for the following departments:

- IM&T
- Business Intelligence/Informatics
- Digital

Response sent

Please find attached our high level corporate structure chart, showing the names and reporting lines for our Directors. Please note that we are a small mental health Trust, and not a hospital. We provide outpatient, and mainly psychological, services, do not provide acute or inpatient patient services, and do not have an A&E department.

You will see the titles in the attached high level chart do not exactly match the list you provided. This is because we do not have all the roles listed, and we are sending the only structure chart currently published, as the Trust has just recently concluded a strategic review.

We do not release into the public domain, as a matter of procedure, the names of staff who are below Director level, and therefore cannot provide the Department Manager names to you, - this is explained in more detail in our FOI procedure: [Freedom of information procedure](#)
