Details of enquiry

Please could you provide a list of the names of all companies that currently have contracts with the Tavistock And Portman NHS Foundation Trust?

Although not necessary, if available I would also appreciate the inclusion of further descriptive fields such as Addresses, Telephone numbers or Company Registration data of these companies.

When reviewing our responses, please note that the Tavistock and Portman NHS Foundation Trust is a small, specialist mental health Trust, and not a hospital. We provide outpatient, and mainly psychological, services. We do not provide acute services, nor inpatient patient services, and do not have an A&E department.

We currently contract with 76 companies, and these are listed in the attached excel spreadsheet.

Supplier details such as Addresses, Telephone numbers or Company Registration details are withheld under section 21 of the FOIA, information is publicly available and accessible by other means. In other words, we are not required under FOIA to provide information which is publicly available.

Please note that information provided under FOIA relates to information held by this Trust at the date on which the request was made.

We hope that you are satisfied with this response. If you are dissatisfied you can ask us to carry out an internal review of our handling of your request. You can request a review by emailing us at FOI@tavi-port.nhs.uk. Your review will be carried out by a senior officer within the Trust who has not been involved in this response. If you remain dissatisfied following completion of our internal review, you have a right to complain to the Information Commissioner's Office (ICO) at <https://ico.org.uk/make-a-complaint/official-information-concerns-report/official-information-concern/> or visit <https://ico.org.uk/global/privacy-notice/how-you-can-contact-us/>
