Subject

Car Park Charges

Details of enquiry

I am looking for the following information regarding parking services at your hospital

1. How many car parks out of the total number designated for hospital patients/visitors offer free parking, as of your most up-to-date statistics? (please state how many and out of the total)
2. If you charge fees for hospital patients/visitor designated parking, do you have the same pricing structure at all your parking sites? (Yes/No)
3. What is your most commonly charged minimum rate for patient/visitor parking (excluding any free parking), and for how long does this allow somebody to park?
4. What is your most commonly charged maximum rate for patient/visitor parking (excluding any free parking), and for how long does this allow somebody to park?
5. What percentage of car parks designated for hospital patients/visitors allow payment by debit or credit card? Please approximate if necessary, and state if you do so
6. What percentage of car parks designated for hospital patients/visitors allow payment on exit? Please approximate if necessary, and state if you do so

Please be advised that the Tavistock and Portman NHS Foundation Trust is a specialist mental health Trust which provides outpatient psychotherapy services only.

This Trust does not charge patients or visitors to use its car park; We have an upper and lower car park. The lower car park is for staff use only, and the upper car park has free parking spaces for patients with children.

The questions on parking charges in your enquiry are therefore not applicable to this Trust
