

Freedom of Information Act 2000 disclosure log entry

Reference

17-18127

Date sent

03/08/2017

Subject

Gender Identity Development Service (GIDS) Questionnaires and Treatment Cessation.

Details of enquiry

I would be grateful if you could provide information under the terms of the Freedom of Information Act regarding

which organisation produces the questionnaires given to parents/guardians who support children/young people who are referred to the GIDS at Tavistock and Portman NHS Trust.

In addition, I would be grateful if you could given an indication as to when will you publish the data you have collected about young people who have chosen to cease physical interventions for gender identity disorders/de-transition.

(This data is mentioned in FoI response 16-17254 published on your website.)

Response Sent

1. Which organisation produces the questionnaires given to parents/guardians who support children/young people who are referred to the GIDS at Tavistock and Portman NHS Trust.

Below is a list of parent-report questionnaires that we use in the service and information on who produces them.

- Child Behaviour Checklist (CBCL) – produced by the Research Center for Children, Youth, and Families, a non-profit corporation at the University of Vermont. The UK distributor is the School of Life and Health Sciences, Aston University.

- KIDSCREEN-52 Health Questionnaire for Children and Young People (Parent version) – produced by KIDSCREEN, a non-profit project funded by the European Commission. It is available [online](#).
- Social Responsiveness Scale, Second Edition (SRS-2) – produced by Western Psychological Services (WPS).
- Gender Identity Questionnaire for Children (GIQC) – produced by Laurel L. Johnson, M.A., Susan J. Bradley, M.D., Andrea S. Birkenfeld-Adams, Ph.D., Myra A. Radzins Kuksis, Ph.D., Dianne M. Maing, Ph.D., Janet N. Mitchell, Ph.D., and Kenneth J. Zucker, Ph.D. The Child and Adolescent Gender Identity Clinic, Child, Youth, and Family Program, Centre for Addiction and Mental Health—Clarke Division, Toronto, Ontario. Available [online](#).

2. In addition, I would be grateful if you could give an indication as to when will you publish the data you have collected about young people who have chosen to cease physical interventions for gender identity disorders/de-transition.

(This data is mentioned in FoI response 16-17254 published on your website.)

We don't know yet when we will be able to publish as we are only at the early stages of setting up the data base to collect this information. It will take at least another year or two to be able to publish something
