Your request for information, as detailed in your email below, has now been considered in line with the requirements of the FOI Act 2000, and the information requested is considered to be not applicable to this Trust.

The Tavistock and Portman NHS Foundation Trust is a specialist mental health Trust which provides outpatient psychotherapy services only. This Trust has no Early Intervention in Psychosis department, so your enquiry does not apply to this Trust. You may wish to contact Camden and Islington NHS Foundation Trust, if you have not done so already, as they hold all the data on EIS patients.
