Details of enquiry

Please send me information on the number and nature of compensation claims brought against your organisation by members of staff who have sustained an injury or contracted a disease while employed your organisation since January 2016 to the present time (last 3 years).

I would like a year by year breakdown, preferably on an excel document via email, detailing:

- Details of the injury (i.e. moving and handling injury, slips/trips/falls and so on)
- Staff role if known (i.e. staff nurse, doctor)
- Whether compensation was paid
- The total amount of compensation paid
- If information available, any action taking following the incident (i.e. additional training, non-slip flooring and so on)

Response Sent

Since January 2016 The Tavistock and Portman NHS Foundation Trust has incurred one claim, for injury caused by being hit by a wooden object in February 2017. The individual concerned was a Support Worker, employed via an agency. The Trust has challenged the claim, and the outcome is not yet known.

There were no other claims on file covering the last three years.
