Subject

Number of Under 18's Referred from Cumbria

Details of enquiry

I am emailing to request an FOI for the Leeds Clinic for the number of under 18's registered with your clinic from the whole of Cumbria.

Response Sent

For the purpose of this response we have defined Cumbria as Morecambe Bay CCG and North Cumbria CCG using guidance from:

<http://healthwatchcumbria.co.uk/new-boundaries-for-clinical-commissioning-groups-ccgs-in-north-lancashire-and-cumbria-are-confirmed-for-2017/>

and

<https://www.cumbriapartnership.nhs.uk/news/new-boundaries-for-ccgs-in-north-lancashire-and-cumbria-are-confirmed-for-2>.

Patients are considered to fall into those CCGs if their current registered GP is affiliated with either CCG.

To find the number of under 18's registered with GIDS who fall into these CCGs, we have drawn data from a live caseload report and therefore this information is correct as of 20th March 2019. This data does not include those waiting to be seen.

In total 34 young people registered with GIDS are aged below 18 and registered with a Morecambe Bay or North Cumbria CCGs, as at 20 March 2019.
