

Freedom of Information Act 2000 disclosure log entry

Reference

19-20148

Date sent

23/08/2019

Subject

GIDS Patients Male to Female & Female to Male Ratios 1967 to 2018

Details of enquiry

Kindly forward the male to female, and female to male ratios 1967 to 2018 to discern referral trends.

Response Sent

Please note that GIDS became a nationally commissioned service in 2009, and the table below shows referral rates following that, from England only, including rejected referrals. This data was generated on 25 June 2019 from Carenotes

GIDS accepts referrals up to age 18, and transfer arrangements to adult services may take place earlier, as deemed clinically appropriate.

Sex assigned at birth 2009/10 to 2018/19 for GIDS Referrals – England Only.

=====

* Referrals made in 2018-19 are still being processed, so this is not known yet in all cases
