

Freedom of Information Act 2000 disclosure log entry

Reference

19-20175 GIDS

Date sent

27/09/2019

Subject

Patients under Treatment, by CCG 16/17 to 18/19

Details of enquiry

Please provide figures for the financial years 2016/17, 2017/18 and 2018/19.

- A. The total number of children receiving treatment under the Gender Identity Development Service, broken down by the CCG that made the referral.
- B. The total number of assigned birth gender 'male' and assigned birth gender 'female', by age, of each person receiving treatment overall in **2018/19** (not broken down by CCG).

Response Sent

Please see attached data for the GIDS 'receiving treatment'.

The Trust has assumed that 'receiving treatment' equates to cases open during the applicable year that have had an appointment either within or before the year in question. Patients that are open but who have never been seen have been excluded.

For age the Trust has assumed the age of the patient on the first day of the year, i.e. 1st April 2018.

Please note that we have avoided publishing numbers equal to or under 5, which in some cases might identify or single out patients.

In 2017 we moved to a new electronic patient record system called Carenotes. As of this year, we will be using the reporting function from that system to produce the numbers for our referral figures. As a result of moving to this new reporting system, the numbers for those referred in previous years have changed slightly from those given out in previous years. However, the trends in referrals across time are unaffected by these adjustments.
