

Freedom of Information Act 2000 disclosure log entry

Reference

19-20235

Date sent

08/10/2019

Subject

Digitisation of EPRs

Details of enquiry

Please find attached our FOI request for information on your current status of Patient Records and how much of these records you have moved to digitise.

Response Sent

	QUESTIONS	RESPONSES
	<u>Paper</u>	
1	Do the clinical areas in the Trust still use paper records?	No
2	Do the clinical areas in the trust still use paper to record medical observations?	N/A - mental health outpatient only
3	Do any paper documents get scanned into the Electronic record?	Initially batch scanning with supplier - now locally attached scanners
4	How many documents get scanned into the Electronic document per annum?	Nearly 12,000 Documents or notes
5	How much is the trust spending on scanning paper documents into the Electronic record per annum inclusive of resources and hardware?	Data not held
6	Is the Trust still using paper for patient questionnaires?	Yes
7	Is the trust still using paper for procedural consent documentation?	Yes
	FDD	
	<u>EPR</u>	
8	Has the current system got the functionality to store photographs and videos within the patient record?	Yes but not used in setting
9	Does the patient record system include digital signature for patients signing legal documentation?	No

NHS Foundation Trust

Does the current system have a function where patients can access their own health record? Does the EPR have a function for clinical noting used on ward rounds? Does the system have Medical documentation templates that can be changed to suit specialised needs? Does the system have Administration Function? Does the system have Administration Administration Function? Does the system have Administration dashboards that feed outcomes from medical documentation? Does the system have Administration dashboards that feed outcomes from medical documentation? Does the system contain different modules, if so, what modules are they? Mhat are the System costs per user if applicable? What are your On-going maintenance costs or SLA? How many staff are using the system? Ploes the system have Medical OPC Coding Information and storage? Does the system have Medical OPC Coding Information and storage? What is your approximate Outpatient activity per annum? What is your approximate Outpatient activity per annum? What is your approximate Inpatient Activity per annum? What are your PAS costs per annum? None What are your PAS costs per annum? None Theatre Self-Check In - Yes/No No N/A - mental health outpatient o		QUESTIONS	RESPONSES
used on ward rounds? Does the system have Medical documentation templates that can be changed to suit specialised needs? Does the system have an Administration Function?
