The CQUIN for under 150 calories to which you refer ceased to be a requirement by NHS Improvement and NHS England in April 2019. We do not hold data on the items for sale in our single vending machines containing under 150 calories.
We previously answered a FOI enquiry on this subject, which may be of interest to you and is in the Trust's FOI disclosure log on our website, at [FOI 18-19145 Vending Machines and Canteen Hours](#)
