Details of enquiry

I am writing to you under the Freedom of Information Act (2000) to request the following information:

Please provide the number of appointments for transgender patients looked after by your trust's Gender Identity Clinic and (where relevant) Gender Identity Development Service that have been cancelled or postponed since Monday 23 March 2020 up to and including Monday 18 May 2020.

This should include, but not be limited to, initial appointments for first-time patients and new referrals.

Please include a breakdown of this data by age and gender identity.

Response Sent

Please see the table below, showing cancelled appointments for the period you have requested (23 March – 18 May 2020). We have included the patient ages as requested.

We do not hold the gender identity for every patient and these details, where recorded, are not held in a structured field. We do hold the sex assigned at birth and could provide this data if it would be helpful.
