

## Freedom of Information Act 2000 disclosure log entry

### Reference

20-21030

### Date sent

21/07/20

### Subject

Mental Health Institutions in the UK

### Details of enquiry

Please provide ECT information under the FOI act to the following questions: -

1. Please supply patient's information ECT leaflet.
2. Please supply patient ECT consent form.
3. Please supply any ECT reports/investigations
4. How many ECT in 2019?
5. What proportion of patients were men/women?
6. How old were they?
7. What were the diagnoses and in what proportions?
8. What proportion of patients were classified BAME?
9. How many were receiving ECT for the first time?
10. How many patients consented to ECT?
11. How many ECT complaints were investigated outside the NHS and CCG?
12. How many patients died during or soon after ECT and what was the cause (whether or not ECT was considered the cause)?
13. How many patients died a few months after ECT and what was the cause (whether or not ECT was considered the cause)?

14. How many patients died by suicide within a few months of receiving ECT (whether or not ECT was considered the cause)?

15. How many patients have suffered complications during and after ECT and what were those complications?

16. Have there been any formal complaints from patients/relatives about ECT?

17. If so, what was their concerns?

18. How many patients report memory loss/loss of cognitive function?

19. What tests are used to assess memory loss/loss of cognitive function?

20. Have MRI or CT scans been used before and after ECT?

21. If so what was the conclusion?

22. How does the Trust plan to prevent ECT in the future?

Please provide SERIOUS INCIDENT information under the FOI act to the following questions:

-

1. Please supply SERIOUS INCIDENT REPORTS patient's information leaflet.

2. Please supply patient SERIOUS INCIDENT REPORTS consent form.

3. Please supply any serious incident reports/investigations

4. How many SERIOUS INCIDENT REPORTS in 2019?

5. What proportion of patients were men/women?

6. How old were they?

7. What were the diagnoses and in what proportions?

8. What proportion of patients were classified BAME?

9. How many were receiving SERIOUS INCIDENT REPORTS for the first time?

10. How many patients consented to SERIOUS INCIDENT REPORTS?

11. How many SERIOUS INCIDENT REPORTS were investigated outside the NHS and CCG?

12. How many patients died during or soon after SERIOUS INCIDENT REPORTS and what was the cause (whether or not SERIOUS INCIDENT REPORTS was considered the cause)?

13. How many patients died a few months after SERIOUS INCIDENT REPORTS and what was the cause (whether or not SERIOUS INCIDENT REPORTS was considered the cause)?
14. How many patients died by suicide within a few months of receiving SERIOUS INCIDENT REPORTS (whether or not SERIOUS INCIDENT REPORTS was considered the cause)?
15. How many patients have suffered complications during and after SERIOUS INCIDENT REPORTS and what were those complications?
16. Have there been any formal complaints from patients/relatives about SERIOUS INCIDENT REPORTS?
17. If so, what was their concerns?
18. How many patients report memory loss/loss of cognitive function?
19. What tests are used to assess memory loss/loss of cognitive function?
20. Have MRI or CT scans been used before and after SERIOUS INCIDENT REPORTS?
21. If so what was the conclusion?
22. How does the Trust plan to prevent SERIOUS INCIDENTS in the future?

Please provide restraints information under the FOI act to the following questions: -

1. Please supply RESTRAINTS patient's information leaflet.
2. Please supply patient RESTRAINTS consent form.
3. Please supply any Restraints/investigations
4. How many RESTRAINTS in 2019?
5. What proportion of patients were men/women?
6. How old were they?
7. What were the diagnoses and in what proportions?
8. What proportion of patients were classified BAME?
9. How many were receiving RESTRAINTS for the first time?
10. How many patients consented to RESTRAINTS?
11. How many RESTRAINTS were investigated outside the NHS and CCG ?
12. How many patients died during or soon after RESTRAINTS and what was the cause (whether or not RESTRAINTS was considered the cause)?
13. How many patients died a few months after RESTRAINTS and what was the cause (whether or not RESTRAINTS was considered the cause)?
14. How many patients died by suicide within a few months of receiving RESTRAINTS (whether or not RESTRAINTS was considered the cause)?
15. How many patients have suffered complications during and after RESTRAINTS and what were those complications?
16. Have there been any formal complaints from patients/relatives about RESTRAINTS?
17. If so, what was their concerns?
18. How many patients report memory loss/loss of cognitive function?
19. What tests are used to assess memory loss/loss of cognitive function?
20. Have MRI or CT scans been used before and after RESTRAINTS?
21. If so, what was the conclusion?
22. How does the Trust plan to reduce restraints in the future?

Please provide SECLUSION information under the FOI act to the following questions: -

1. Please supply patient's information SECLUSION leaflet.
2. Please supply patient SECLUSION consent form.
3. Please supply any SECLUSION reports/investigations
4. How many SECLUSION in 2019?
5. What proportion of patients were men/women?
6. How old were they?
7. What were the diagnoses and in what proportions?
8. What proportion of patients were classified BAME?
9. How many were receiving SECLUSION for the first time?
10. How many patients consented to SECLUSION?
11. How many SECLUSIONS were investigated outside the NHS and CCG?
12. How many patients died during or soon after SECLUSION and what was the cause (whether SECLUSION was considered the cause)?
13. How many patients died a few months after SECLUSION and what was the cause (whether SECLUSION was considered the cause)?
14. How many patients died by suicide within a few months of receiving SECLUSION (whether SECLUSION was considered the cause)?
15. How many patients have suffered complications during and after SECLUSION and what were those complications?
16. Have there been any formal complaints from patients/relatives about SECLUSION?
17. If so, what was their concerns?
18. How many patients report memory loss/loss of cognitive function?
19. What tests are used to assess memory loss/loss of cognitive function?
20. Have MRI or CT scans been used before and after SECLUSION?
21. If so, what was the conclusion?
22. How does the Trust plan to prevent SECLUSION in the future?

Please provide MEDICATION ERRORS information under the FOI act to the following questions: -

1. Please supply patient's information MEDICATION ERRORS leaflet.
2. Please supply patient MEDICATION ERRORS consent form.
3. Please supply any MEDICATION ERRORS reports/investigations
4. How many MEDICATION ERRORS in 2019?
5. What proportion of patients were men/women?
6. How old were they?
7. What were the diagnoses and in what proportions?
8. What proportion of patients were classified BAME?
9. How many were receiving MEDICATION ERRORS for the first time?
10. How many patients consented to MEDICATION ERRORS?
11. How many MEDICATION ERRORS S were investigated outside the NHS and CCG?
12. How many patients died during or soon after MEDICATION ERRORS and what was the cause (whether MEDICATION ERRORS was considered the cause)?
13. How many patients died a few months after MEDICATION ERRORS and what was the cause (whether MEDICATION ERRORS was considered the cause)?
14. How many patients died by suicide within a few months of receiving MEDICATION ERRORS (whether MEDICATION ERRORS was considered the cause)?
15. How many patients have suffered complications during and after MEDICATION ERRORS and what were those complications?
16. Have there been any formal complaints from patients/relatives about MEDICATION ERRORS?
17. If so, what was their concerns?
18. How many patients report memory loss/loss of cognitive function?
19. What tests are used to assess memory loss/loss of cognitive function?
20. Have MRI or CT scans been used before and after MEDICATION ERRORS?
21. If so, what was the conclusion?

22. How does the Trust plan to prevent MEDICATION ERRORS in the future?

## Response Sent

Thank you for your attached request for information which was received on 01 June 2020. We have considered your request under the requirements of the FOI Act 2000 and have considered the sections in turn. Our response is below:

### **ECT Information**

The Tavistock and Portman NHS Foundation Trust provides outpatient psychotherapy services only. Therefore, this section is not applicable to this Trust.

### **Serious Incident Information**

1. Please supply SERIOUS INCIDENT REPORTS patient's information leaflet.

We do not hold a Serious Incident Report Patient's information leaflet

2. Please supply patient SERIOUS INCIDENT REPORTS consent form.

We do not hold a Serious Incident Report Patient's consent form.

3. Please supply any serious incident reports/investigations

We can confirm that we hold the information requested however we are withholding the information requested as we are of the view that the information relates to personal information and is exempt under the provisions of Section 40 of the Act as disclosure would result in a breach of the requirements of the Data Protection Act 2018. Section 40 is an absolute exemption and does not require us to carry out the public interest test. Serious incident reports and investigations may contain person information, including about third parties. Therefore, access to incident reports must be justified and balanced against the relevant individuals' privacy rights, and in line with the principles of the General Data Protection Regulation (GDPR). For this purpose, we have concluded that such access would not be fair or justified.

4. How many SERIOUS INCIDENT REPORTS in 2019?

There were 12 serious incident reports in 2019.

5. What proportion of patients were men/women?

Of the 12 serious incident reports in 2019, 8 were related to men and 4 were related to women.

6. How old were they?

Males= 32y; 54y; 18y; 22y;17y; 17y; 27y; 17y;

Females = 45y; 47y; 18y; 21y.

7. What were the diagnoses and in what proportions?

Below are the diagnosis. We do not hold the proportions:

4. Alcohol dependence syndrome; transsexualism
5. Reactive Depression, Conduct Disorder
6. Gender discomfort issues
7. Gender discomfort issues
8. ADHD
9. Impulse Control and aggression
10. Gender discomfort issues
11. Gender discomfort issues
12. Self-Harm behaviours

8. What proportion of patients were classified BAME?

One third (4 patients)

9. How many were receiving SERIOUS INCIDENT REPORTS for the first time?

We do not hold this information.

10. How many patients consented to SERIOUS INCIDENT REPORTS?

We do not require consent to complete a serious incident report.

11. How many SERIOUS INCIDENT REPORTS were investigated outside the NHS and CCG?

None.

12. How many patients died during or soon after SERIOUS INCIDENT REPORTS and what was the cause (whether SERIOUS INCIDENT REPORTS was considered the cause)?

None.

13. How many patients died a few months after SERIOUS INCIDENT REPORTS and what was the cause (whether SERIOUS INCIDENT REPORTS was considered the cause)?

None.

14. How many patients died by suicide within a few months of receiving SERIOUS INCIDENT REPORTS (whether SERIOUS INCIDENT REPORTS was considered the cause)?

None.

15. How many patients have suffered complications during and after SERIOUS INCIDENT REPORTS and what were those complications?

None

16. Have there been any formal complaints from patients/relatives about SERIOUS INCIDENT REPORTS?

17. If so, what was their concerns?

No.

18. How many patients report memory loss/loss of cognitive function?

None

19. What tests are used to assess memory loss/loss of cognitive function?

None

20. Have MRI or CT scans been used before and after SERIOUS INCIDENT REPORTS?

21. If so, what was the conclusion?

No, the Tavistock and Portman NHS Foundation Trust provides outpatient psychotherapy services only

22. How does the Trust plan to prevent SERIOUS INCIDENTS in the future?

Our learning procedure is publicly available on our website.

[file:///C:/Users/graceper/Downloads/Serious Incident Investigation Learning Procedure version7\\_Apr 20.pdf](file:///C:/Users/graceper/Downloads/Serious%20Incident%20Investigation%20Learning%20Procedure%20version7_Apr%2020.pdf)

### **Restraints Information**

We do not restrain patients.

### **Seclusion Information**

We do not seclude patients.

### **Medication Error**

We do not prescribe medication
