Hi,

Even though we are getting towards the end of the year there is still so much happening. Below are just a few bits I thought would be of interest.

Last chance to share your thoughts!

Submissions for our Membership Feedback survey close on Monday 20th November.

If you could please take 10 minutes to provide us with your feedback, it would help us to improve your membership experience.

Participants of the survey will have the chance to enter our prize draw to win £100 for the charity of their choice that works to improve the lives and opportunities of those from marginalised groups.

You can complete the survey here:

This month’s recorded webinar!

Each month, we share one recorded webinar to provide an opportunity for anyone unable to attend the live session to catch up and feel part of the Inclusive Employers community.

This month we are sharing [ADHD in the Workplace](#) which will be available until 8 December 2023. If you were able to join us, please consider this a chance to brush up on any notes you may have taken and share any learnings with your team/organisation.

If you would like to talk to me about any current or upcoming projects do let me know and we can put some time in to chat. We currently have a 8-12 week lead in time for new projects so if you are looking to do something in Jan/Feb 2024 do let me know as these are booking up very fast.

And finally, shameless personal plug – here is my latest blog about the IES and using the 6 pillars for a successful project, if you are interested. [How the six pillars bring inclusion success | Inclusive Employers](#)
