Hello,

I cannot believe I am sending the October members email already! It feels it was March only a few days ago. So much has happened already this year and we still have a few great opportunities coming up before we look to the new year.

Your Membership Experience

We truly value your membership and would love to learn more about your experience of partnering with us. If you could take 10 minutes to provide us with your feedback, it would help us to improve your membership experience. You can complete the survey here:

<https://www.smartsurvey.co.uk/s/IEmembers/>

Participants of the survey will have the chance to enter our prize draw to win £100 for the charity of their choice that works to improve the lives and opportunities of those from marginalised groups.

Inclusive Employers Standard

As you may know the autumn call for our Inclusive Employers Standard is currently open for registration until 17th November. The standard is a great way for organisations to get an understanding of their areas of strength and where to focus future inclusion work, as well as gaining an accreditation that you can be proud of. If the standard is something you are interested in do let me know and I would be happy to chat through the different options.

Check out some of the recent recipients of an accreditation from our spring 2023 call:

Inclusion Qualifications

Our qualifications team have been working hard behind the scenes in partnership with the Chartered Management Institute (CMI) to further enhance our inclusion qualifications.

We now have qualifications available from Level 4 to Level 7, suitable for all levels within your organisation.

You can find out more about our qualifications along with details of the course and costs here:

<https://www.inclusiveemployers.co.uk/explore-our-services/inclusion-and-diversity-qualifications/>

We also have [a webinar](#) on this next week, October 25, 2023 @ 2:00 pm - 3:00 pm, or I would also be happy to answer any questions at our next member meeting.

Don't forget, members are also entitled to 10% discount for all our inclusion qualifications!

Post National Inclusion Week

We hope you are still feeling the glow of positivity and success after National Inclusion Week! This year was our biggest to date, and we want to thank each and every one of our members who took part.

We are planning to hold more specific focus groups in the near future to gather feedback from this year, as well as consult with our members about what they would like to see and to discuss theme ideas for National Inclusion Week 2024.

More details about how you can get involved with this will be shared in our next Members Monthly Email.

Members can still access all of the recordings from National Inclusion Week until December, here: <https://www.inclusiveemployers.co.uk/national-inclusion-week/national-inclusion-week-2023-toolkit/>
