Hi,

It's September which means it's almost National Inclusion Week!

This year is set to be the biggest yet and we can't wait to see how everyone 'Takes Action and Makes Impact' for inclusion. Let me know if I can support you with your plans.

Introducing... The Bitesize Inclusion Toolkit

Our Bitesize Inclusion Toolkit package has been designed to provide you with all the materials and support to run structured bitesize inclusion conversions within your organisation – it's learning for the whole team!

Structured into 12 bitesize sessions, each one includes a 10-minute video followed by suggested individual/group activities and discussion prompts, ideal for groups of 3-6 participants and can be used at any time or planned to fit into regular team meetings.

If you are interested in a full breakdown of each session, including prices, please see the dedicated page for the [Bitesize Toolkit](#).
